This is a practice assignment to help you learn how to submit a file on *Gradescope*

1. Draw a panda.

2. Evaluate the following integral.

$$\int x\,dx$$

$$\frac{x^2}{2} + C$$

3. Draw a mickey mouse **on a second page.** If you are using this PDF, draw it here.

4. Upload both pages to gradescope. Please remember to assign each question to its appropriate part in gradescope.
